

# Need Non-Urgent Medical Care This Summer?

Faculty, staff, and their dependents covered under the University's medical plan continue to receive a discount at all 15 UHealth Clinics at Walgreens. Visits are \$5, and clinics are open seven days a week throughout the summer.

The UHealth Clinics at Walgreens are available for same-day visits for minor illnesses, such as coughs, colds, sore throats, pink eye, and more; and each location is staffed by University of Miami Health System advanced practice registered nurses.

Faculty, staff, and their dependents on the University's medical plan can visit any clinic for a \$5 copay.

The clinics are open seven days a week, 363 days out of the year, with extended weekday and weekend hours.
